ST. ANTHONY JUNIOR-SENIOR HIGH SCHOOL ALUMNI NEWSLETTER

Golden Jubilee Happenings and Impressions, Class of 1959

“THE BEST ONE EVER” was the comment repeated over and over by the Class of 1959 classmates during their 50th Golden Reunion held from June 26 through June 28, 2009. Fifty-two classmates attended one or more of the reunion events.

The reunion began on Friday night with Classmates’ Night held at Marian Hall aka Trojan Café. Each classmate was presented with a yellow and blue Class Lei along with a special luggage tag created and donated by Nellie Arzaga Pellazar. Herman Aizawa, who has a successful business named Aizawa Ukuleles, created a very special 6-string tenor koa ukulele for the grand prize. A plaque inscribed “Golden Reunion June 2009” was set into the interior of the ukulele. Geri Meyer Borge was the lucky recipient. When presenting his ukulele, Herman stated that Geri truly deserved it because of all the hard work she has done

beginning with the 20th Year Reunion in 1979. The evening ended with a video created by Geri and her daughter-in law, Iwalani Borge. The video began with scenes of both high school campuses along with pictures of the principals and faculty of each campus. Everyone enjoyed seeing pictures of each other taken throughout their high school years and at past reunions. Pictures of the 50th Golden Reunion events are being incorporated into the DVD.

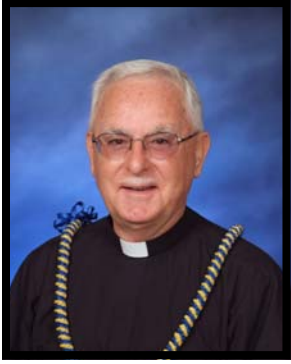

On Saturday night, the Class of 1959 was honored during the Annual Ho’olaulea. Herman spoke of our education at St. Anthony High School and the wonderful teachers who inspired us to go after our goals. On behalf of the Class of 1959 in appreciation for receiving a good Catholic education, Ernest Marciel presented a check for \$11,385.00 to Father Orsini to be used at the school’s discretion.

On Sunday morning, the classmates gathered at St. Anthony Church and processed in with Father Jim who was the special Celebrant. It was so awesome to see the classmates and guests fill a whole section of pews. During the special intentions, the deceased classmate’s names were read as white roses were carried to the altar and placed in a special vase which enclosed their graduation pictures. Following the Mass, Father Jim presented the classmates with a 50th Reunion Golden Diploma provided by St. Anthony Junior-Senior High School. At the brunch following Mass the classmates expressed their Mahalo Nui Loa to the reunion committee members, Geri Meyer Borge, Valorie Garcia Peris, Nellie Arzaga Pellazar, Myrna Akina McFarland, Nora Facuri Tesoro, Mary Anne Koko Morioka, Lorna Kaiuwailani Akima and Tommy Duarte.—Submitted by Valorie Peris and Geraldine Borge

Impressions by Lucille Chock Meyer

Our class always thrived on its spirit of cohesion/competition. Whatever the situation, our teachers challenged us to work hard together. As sophomores, we competed with high schools across Hawaii to raise funds for Tom Dooley in Laos. We whipped every school in Hawaii in this contest. We loved and supported each other so much, win or lose. Our 50th class reunion reflected our continuing joy in each other, where we were and where we will go. It was life-giving to see my classmates revel and relax with each other. As a mainlander, please acknowledge that our reunions are only possible through the efforts of Geri Borge and Valorie Peris.

Message from the Principal...

Aloha kakou !

It's not easy trying to keep in touch with over 5,000 alumni scattered throughout the world! We send out this newsletter to everyone on our mailing list, but we know that the list is not complete and up-to-date. Thankfully, we've got your correct address and we want to ask a favor of you. Please check with your friends, neighbors or co-workers who graduated from St. Anthony and ask them if they received this latest newsletter. If not, ask them to call the school office; we want

all of our alumni to enjoy this issue of *Sine Qua Non* which has been edited by our Alumni Coordinator, Mrs. Lisa Giamoyris. If you have any news, questions, comments or suggestions for Lisa, please email her at this address: lgiamoyris@sasmaui.org. You can also reach her by phone: (808) 244-4190, ext. 260.

For those of you who were still wondering what happened to our football program, we couldn't get any competition! St. Anthony was ready to shift to an 8-man team and we needed just two other smaller schools to join us. 8-man football is truly a wide-open and exciting game because it is played on a regular football field. Everyone is eligible except the center and so speed, agility and strategy are much more important than brute strength. Unfortunately, the two DOE schools who indicated interest were hit with budget cuts that prevented them from obtaining necessary equipment. Hopefully next year the DOE will be able to restore funding and we will be able to start our 8-man football league.

During the first week of November our school will be visited by members of the WASC (Western Association of Schools and Colleges) accrediting committee, the WCEA (Western Catholic Education Association), and the HAIS (Hawai'i Association of Independent Schools). We look forward to the insights and evaluations that the combined visiting committee will offer to help us improve our educational mission.

Our school's motto is *Strength in Unity*. Before the end of the year you will receive a special mailing that will provide you with the details of our Capital Campaign. Your participation is essential and we know that with your help and support we will be able to educate many more generations of St. Anthony students who will become builders of strong families and communities wherever they may settle after graduation. Our students and their families, our teachers, our staff and our administrators sincerely appreciate your kokua and aloha. We pray that the coming Christmas celebrations bring you comfort and cheer, and that you will experience even more of the abundant graces given to us by our loving God in the new year ahead.

SAS CLASSMATES and IMPORTANT NEWS — ‘OHANA FOREVER...

It's a long way from camp 1.... SAS started the journey.
Jimmy Cordeiro, '61, joined the Hawaii National Guard in 1966 and was commissioned a 2nd Lt in 1968. Assigned to the then "activated" C Company from Kahului he joined Tommy Duarte, '59 and Bobby Cole, '62' as an infantry platoon leader. Returning from Vietnam he utilized the GI bill to obtain degrees in education and art from the University of British Columbia. He taught art in BC high schools and at a junior college that became Trinity Western University. In 1985 Jimmy was asked to re-draw the sets to "Wise-Guy", and then substitute for a vacationing graphic artist on "MacGyver". The movie and TV production process brought immense satisfaction and appreciation. He has been in the "business" ever since. (<http://www.imdb.com>)
 Now "semi-retired" he is designing and publishing graphic art posters which encourage positivity. Opportunity began at St. Anthony guided by Bros. Robert Bader, James Condon, Father Priestly, Sisters Alice Marie, Leona and Mr. Paul Pladera.

James Vincent '06

James joined the Navy. He poses with Kathleen DeLima and Patricia Rickard.
