This intensive 4 week PSAT/SAT/ACT Preparation should be every student's first step in preparing for the PSAT/SAT/ACT test, which includes step by step skill building techniques, including complete practice tests. This course which includes focus on test taking strategies is especially recommended for sophomores and juniors who wish to attend a four year college or university after high school.

Using the Iolani preparation method, Mrs. Karen Yoshina and Mr. Mel Mukai provide instruction in Language Arts, Critical Reading, Writing and Math. Classes begin June 6st and continue through June 30th. All classes are offered at St. Anthony Jr. Sr. High School from 8:30 a.m. to 11:30 a.m. Registered students should report to the library on the St. Anthony Jr. Sr. High campus on Monday, June 6th.

Limited scholarships are available through the generosity of the Helio Endowment Fund. If there are any questions or concerns, you can reach me at 244-4190 ext. 224 or 344-3086.
