## Trojans Boys Claim DII MIL Title

Chris Maeda's second goal of the game - his 11th of the Maui Interscholastic League season and 15th in 16 overall matches this year - gave the Trojans a 3-2 win over Kamehameha

Maui at War Memorial Stadium to clinch the MIL championship and their trip to Oahu, Feb. 23-26, for the HHSAA State Championship Tournament as Maui's number one seed from Division II.

Kamehameha is added to the long list of Division I teams that have fallen to our mighty division II Trojans. Coach Shantal has chocked up win against the division I MIL Champions Baldwin, Division I Runner-up Kekaulike and the

three-time defending MIL D-II champs and a team that won the overall league crown just two seasons ago, Seabury Hall.

With such an impressive track record, the Trojans are very optimistic and hope to receive a top three seed in the State Championship tournament.

St. Anthony has not qualified for the state tournament since 1996 with the likes of Shane Victorino, but this team is excited to make a name for themselves and ready to compete for a chance at the state title.

## Upcoming Events

**Trojan Baseball**  
Kekaulike tournament  
March 3rd-5th

SAS vs Maui High  
March 2nd  
KCC 3:30p

**Track and Field**  
Meet #1  
March 4th 4pm  
War Memorial

## Girls Compete At State Level

The St Anthony School girls soccer team, led by former Trojan standouts, Lindsey Drayer and Malorie Chong, claimed the second place in the MIL, qualified for the 2011 HHSAA State Championship Soccer Tournament, and gave it all they had competing on the highest level narrowly falling short to a seasoned Kamehameha Hawaii squad 2-0 and ended up on the short end of a 3-2 score, losing in the last minute of play against a very talented Radford squad...Great Job Girls!

## Boys Basketball Finishes Strong

In the MIL Basketball Division II Semifinal, Molokai survived a game of spurts to eliminate St. Anthony with the final score of MOLOKAI 46, ST. ANTHONY 37. The Trojans bolted to a 20-12 lead at the end of the first quarter, but then scored only two points in each of the second and third quarters as the Farmers took a 37-24 lead.

Kento Tanaka-Tamaki hit two 3-pointers to start a 12-0 St. Anthony run at the beginning of the fourth quarter as the Trojans climbed

within 1 point trailing 37-36. After several tough defensive plays on both sides of the court, Molokai finished the game on a 12-1 run.

Fresh off an amazing 3 game stretch against Lanai which included an amazing last-second tip in by Jordan Hansen to secure a spectacular Homecoming victory, followed by a dominating win in the first round of the MIL championship tournament, Hansen led the undersized Trojans in an all-out battle under the basket, scoring 10 points against the visiting Farmers.
