

March 16, 2020

Dear Parents and Guardians,

Continued prayers for each of you and for our local, national and global community during these remarkable and challenging times. As expected, Covid-19 has impacted many aspects of our daily life, including school attendance.

SAS received a directive from the Diocese of Honolulu last night to extend our Spring Break through for a second week. Per our regular school calendar, students were scheduled to attend March 23<sup>rd</sup>, 24<sup>th</sup> and 25<sup>th</sup> with the last two days off for a holiday and teacher professional development day.

At this time, classes for students are cancelled through March 27<sup>th</sup> with a return date to school on Monday, March 30<sup>th</sup>. This return date could be changed and extended as this situation continues to change by the hour and by the day. Continue to check your emails from SAS, our website and our Facebook page for updates.

SAS teachers will be meeting during the week of the 23<sup>rd</sup> to discuss, develop, and design alternative instructional options in case classes are suspended past March 27<sup>th</sup>. Any additional changes to our student calendar and plans for providing instructional content and support will be communicated as necessary.

Last night we were blessed to hold the annual Jr/Sr High Prom. It was bittersweet as we know that upcoming school field trips, concerts, and gatherings are at risk of postponement or cancellation. Any changes to events already scheduled or those that were in the planning stages will be communicated with you through email, website, Facebook, etc.

May God bless us all during this time of precaution and planning and may those families dealing with medical needs receive healing and hope.

Tim Cullen

SAS Head of School & Principal
