

March 24, 2020

Dear Parents and Guardians,

We received official notice from the Diocese of Honolulu that our schools will remain closed for "in-person" instruction through April 30th to support and comply with the recent directives. We are not surprised by this but are disappointed that this extends the return of our students to campus into May.

Our SAS teachers have been meeting and working this week on educational options for your child(ren) and we will be providing you information about this tomorrow as promised. Please look for and read that eblast message. Every teacher will be sending you and your child(ren) a personal email message on Friday and will be your primary point of contact starting next Monday, March 30th.

All update messages, postponements and cancellations will be posted on our website so please check that too. We also will continue our new Facebook Live daily message and prayer from Mondays to Fridays through April.

We choose light over darkness, hope over fear while appreciating the impact this is having on everyone. God bless you and your family as we continue to walk this uncharted path together.

Tim Cullen  
Head of School & Principal
